ORDER NO.

2019-536

THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

Docket No. 2019-73-T - Application of MVP Asset Group LLC d/b/a MVP Transit for a Class C (Non-Emergency) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier – Staff Presents for Commission Consideration the Applicant's Request for an Extension of 45 Business Days to Comply with Commission Order No. 2019-133.

COMMISSION ACTION:

MVP Asset Group, LLC is requesting a 45-day extension of time to complete its certification process, which certification was granted by Order No. 2019-133 on March 13, 2019. However, by the terms of that Order, if the Applicant fails to complete the certification process within 90 days without seeking an extension during that period, the order granting the Application becomes null and void, and the Application is automatically dismissed.

Since MVP Asset Group is well outside of the 90 day compliance window referenced in Order No. 2019-133, which ended on or about June 13, 2019, the Order granting the Application is now void and the Application has been automatically dismissed by operation of Order No. 2019-133. Therefore, the carrier must refile its application.
